MobileMed Matters

May-June 2018 Newsletter

MobileMed Matters is a bi-monthly newsletter to keep our community up-to-date on what we're doing and what's in our future.

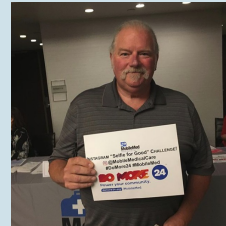

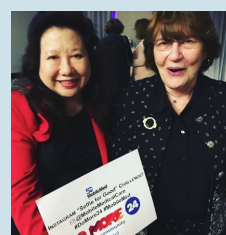

Laugh Riot was an uproarious success on many levels!

We were laughing all night long thanks to comedians Reese Waters (above) and Wendy Wroblewski. To everyone who was able to attend, thank you! To everyone who wasn't, we hope that you can join us next year for this excellent and entertaining fundraising event for MobileMed.

Do More 24

Did you know that Do More 24 is the largest day of online giving in the National Capital Region? It's a 24 hour online drive that promotes charitable giving in the DC area. For the past three years, MobileMed has participated in Do More 24, but this year was extra-special because it overlapped with Laugh Riot! Vivian Aguayo, our Outreach and Enrollment Specialist, spent much of the evening taking photos of Laugh Riot attendees as part of a special social media activity.

MobileMed in the News!

A few weeks ago, Mitti Hicks, a reporter from Montgomery Community Media, came to MobileMed's Rollins and Aspen Hill clinics. She and her film crew talked with onsite staff and Executive Director Peter Lowet. The wonderful and informative MobileMed segment that they created was aired on local Channel 21.
